

UNSEALED 4X4

20" LED LIGHT BAR SHOOTOUT

DRIVETECH 4X4

SPECS

PRICE: \$330
IP RATING: IP67
CLAIMED WATTAGE: 120W
CLAIMED LUMENS: 8,100
MOUNTING SYSTEM:
Adjustable in middle of light
WIRING LOOM: Not supplied

NOTES: This light strikes a good combination of distance and spread – just look at how powerful that centre beam is. It is also one of the smallest lights tested, making it perfect for those with limited space for mounting an LED light bar. The Drivotech LED light bar also passed our water submersion test with flying colours.

OVERALL RESULTS

PERFORMANCE

★★★★★

CLOSE RANGE: 67,200 LUX

MID RANGE: 1600 LUX

LONG RANGE: 23.71 LUX

SPREAD: 12.78 LUX

BUILD QUALITY

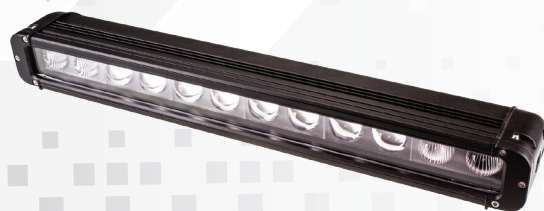

★★★★★

TEMPERATURE: 26.0°C

WATER RESISTANCE: PASS

PRICE

★★★★★

“Best bang for buck light on test, passing water submersion testing without letting a drop in and beating more expensive lights when it came to straight line penetration.”

Evan Spence, Deputy Editor
